Sub:- JNNURM State Level Reform- Integration of City Planning and Delivery Functions (S2)

- Read:-
1. Report of ASCI titled JNNURM – Appraisal and Handholding of Reforms Implementation – Karnataka 2009.
 2. Letter No: KUIDFC/JNNURM/REFORMS/52/2007-08, dated 25.01.2010 received from Managing Director, KUIDFC, Bangalore.

PREAMBLE:

Integration of City Planning and Delivery Functions is a mandatory State Level Reform under JNNURM. The Memorandum of Agreement (MoA) entered under JNNURM specifies that the ULBs need to be integrated with the city planning function as also delivery of services. Areas of service delivery should correspond to all areas listed under Schedule 12 of the 74th Constitutional Amendment Act.

Presently Commissioner, BBMP is represented in the boards of BDA, BWSSB, BMRCL, BMRDA and BMTC.

Administrative Staff College of India (ASCI) which is the appraising agency for JNNURM Reforms in Karnataka in its report read at (1) above has observed that mere representation of BBMP Commissioner on the boards of BDA, BWSSB, BMRCL, BMRDA & BMTC is not enough and cannot be perceived to ensure accountability of the parastatals to the ULB as it envisages accountability to the elected councils, and it has suggested to constitute a committee comprising of BBMP, BWSSB, BMTC, KSCB, BDA etc.

Now, Managing Director, KUIDFC read at (2) above has sent a proposal to Government to constitute a committee with BBMP, BWSSB, BMTC, KSCB, BDA to workout details and suggest workable pattern for Bangalore without effecting autonomous working of these institutions.

The Government has examined the proposal in detail. Hence the following orders.
